The Value of Volunteering!

Many opportunities still remain, when it comes to volunteering this season!

Volunteering has many benefits, such as:

- **Enjoyment & Fun!** There can be a great "feel good" factor, especially when helping out in a sport your child enjoys!
- **Achievement!** Being reminded of the impact we can make on others, when we become a part of something bigger.
- **Learn Something New!** Volunteering can lead to learning new tasks, and strengthen confidence!

- **Connections!** People around you may be inspired by your work, and become involved themselves! Remember! Many hands, can make lighter work!

When it comes to volunteering, PASSION and POSITIVITY, are the only requirements!
