Hello Members,

Southwest Hockey understands that many of our members are wondering what this upcoming season will look like.

The announcement by Hockey Calgary last night (July 30, 2020); is a start. We are certain there will be continued questions to come; but please know we are all doing our best with this very fluid situation. Your patience, support and understanding are all greatly appreciated as we work towards getting players back to hockey!

We do ask that all members review both; the letter from the Southwest Hockey President, as well as the update from Hockey Calgary.
