Thank you to my Evaluation Team!

The evaluating of 820 participants is no small mountain, and I am thankful to have climbed this mountain with each and every one of you this season! The ability to evaluate all the kids in Southwest is because each and every one of my Evaluation Team members came together to form this amazing team!

Giving so much of their time (& often many late nights), and who freely provided lots of support (with much time away from their own families). There is no **THANK YOU** big enough for what you have given these last 6 weeks; but hopefully this message will relay at least some of my appreciation!

A special Thank you to our Eval Leads: **U7**-Janna T., **U9**-Cathryn M., **U11**-Brooke O., **U13**-Jodi L., **U15**-Lynsey G., **U18**-Shelby D., **Goalies** - Gord D. and to all of the Assistants and Support!

To our Evaluators & On-Ice support...Thank you!!! We could not do this without your MANY hours in skates, and freezing in the stands!

Another special mention to: Blaine L. and Chris B. We ALL very much appreciate your support through this whole process.

And THANK YOU to ALL of the participants!

It was **SO** amazing to hear your laughter around the rink again, to see your efforts in the games and drills, and to feel the joy of **HAVING HOCKEY BACK!**

Thank you,

Dori-Ann (Director of Evaluations)
