Email Communications

It has been brought to the Associations attention that those who have shaw.ca email addresses, are not receiving registration confirmations.

This is a Shaw server that is rejecting TeamSnap addresses. Therefore, any members who have Shaw emails are encouraged to 'safelist' the following email addresses.

- donotreply@email.teamsnap.com
- hq@email.teamsnap.com
- hq@secretlair.teamsnap.com
- support@teamsnap.com
- teamsnapinc@comms.teamsnap.com

To assist members with how to 'safelist' emails this is the link we were sent to forward on: [INSTRUCTIONS TO WHITELIST / SAFELIST AN EMAIL ADDRESS](#)

The Association is only trying to assist members as a courtesy. So, if you have any problems with this process and 'safelisting' emails, you'll need to contact your Shaw Provider.

Have you done this?

To ensure Association emails are not missed, it is a good idea to check your junk and spam folders on a regular basis to confirm you haven't missed any important information.

Not only is this key for not missing general information, but is critical to ensure communications are not missed once evaluations begin.

This is a perfect time to ensure emails from @southwesthockey.ca are on your 'safelist' - to minimize the chances of missing out.

To assist members with regards to how to 'safelist' emails here is a link: [INSTRUCTIONS TO WHITELIST / SAFELIST AN EMAIL ADDRESS](#)

REMINDER - It is a member's responsibility to ensure they are receiving all Association communications.

Body Checking & NON-Body Checking

U15 & U18 participants can choose, through registration, if they wish to register in a Body Checking or NON-Body Checking Division for evaluations.

NOTE

The Body Checking Division only has three (3) teams; which are tiered.

There are limited spots, and typically SW has more participants choose to evaluate in this division, than there are spots available.

In these cases; participants who don't successfully evaluate within a Body-Checking Tier, will continue in evaluations, but will be moved to the NON-Body-Checking division.

Teams in the NON-Body-Checking Division are also tiered.

Coach Registration

Coaching is fundamentally the most important role on the ice.

Each year Southwest Hockey requires **parents** to take on the roles of Head Coach, Assistant Coach and/or Goalie Coach.

If you are interested in signing up for a Southwest Hockey coaching role this coming season, there are a few steps that will need to be completed.
