

## Player Pathway Program

The Player Pathway Program is supported by the Hockey Canada Long-Term Player Development Model. This framework provides the guiding principles for age appropriate and skill specific programming for all players in Hockey Canada's youth hockey system.

A player's first experience in the new hockey season should not be a formal tryout. The Pathway Skates give players the opportunity to get back on the ice in a more player friendly environment.

**Only FULLY registered SW Hockey participants are permitted to attend Pathway Skates; at no additional cost!**

**There are four (4) Pathway Skates scheduled for U18; PRIOR to evaluations beginning.**

**Pathway Skates are NOT evaluated skates. Pathway Skates are not mandatory; but are recommended.**

**NOTE: Those trying out for Elite, MUST FIRST be released from Elite to SW Hockey BEFORE being permitted on the Pathway Skates.  
Participants can NOT skate with two (2) Associations at the same time.**

**NOTE:** These sessions will be scheduled by your Age Division Evaluation Coordinator. Be sure to keep an eye on your email for updates!
