

BONUS OPPORTUNITY VOLUNTEER BOND

Bonus Opportunity is only available between: AUG 19 & OCT 6.

There are a limited number of '1st come Bonus Opportunities' available. Bonus Opportunities only include shifts pertaining to pre-season Prep Camps, Pathway Skates and Evaluations.

If a family completes two (2) credits during the Bonus Opportunity, the Association will honour this involvement by verifying that the Volunteer Bond obligation would be considered fulfilled. Meaning that as a 'bonus', the family would not be required to complete the other two (2) Association credits.

If no credits were completed during the Bonus Opportunity, **OR** only one (1) credit was completed, then families will be required to complete the FULL number of credits based on the participants program registration – PRIOR to March 31st.

Although a Members' Association Volunteer Bond may be completed, as per the Commitment Contract that was acknowledged at the time of registration, **Members still have an obligation to their kids' team(s), and MUST STILL actively contribute at the team level ensuring the team workload is shared, and that all TeamOps responsibilities have been covered**; regardless of their family Association Volunteer Bond status.
