

## Player Pathway Program

The Player Pathway Program is supported by the Hockey Canada Long-Term Player Development Model. This framework provides the guiding principles for age appropriate and skill specific programming for all players in Hockey Canada's youth hockey system.

A player's first experience in the new hockey season should not be a formal tryout. The Pathway Skates give players the opportunity to get back on the ice in a more player friendly environment.

**Only FULLY registered Southwest Hockey participants are permitted on the ice to attend Pathway Skates; at no additional cost!**

**There are three (3) Pathway Skates scheduled for U15; PRIOR to the 'Placement Skates'.**

**Pathway Skates are NOT evaluated skates. Pathway Skates are not mandatory; but are recommended.**

**NOTE: These sessions will be scheduled by your Age Division Eval Lead or Eval Assistant. Be sure to keep an eye on your email for updates!**

### Elite Tryout Participants

**Are NOT PERMITTED to skate with two (2) Associations at the same time. Those trying out for Elite MUST FIRST be released from Elite BEFORE they will be permitted on the ice with Southwest Hockey.**

**The Member must contact the Southwest Hockey Registrar to finalize their registration with Southwest. The registration MUST BE COMPLETED prior to participating in Pathway Skates**
