

Player Pathway Program

The Player Pathway Program is supported by the Hockey Canada Long-Term Player Development Model. This framework provides the guiding principles for age appropriate and skill specific programming for all players in Hockey Canada's youth hockey system.

A player's first experience in the new hockey season should not be a formal tryout. The Pathway Skates give players the opportunity to get back on the ice in a more player friendly environment.

Only FULLY registered Southwest Hockey participants are permitted on the ice to attend Pathway Skates; at no additional cost!

There are three (3) Pathway Skates scheduled for U9; PRIOR to the 'Placement Skates'.

Pathway Skates are NOT evaluated skates. Pathway Skates are not mandatory; but are recommended.

NOTE: These sessions will be scheduled by your Age Division Eval Lead or Eval Assistant. Be sure to keep an eye on your email for updates!
