Body Checking & Non-Body Checking

U15 & U18 Participants must designate "Body Checking" or "Non-Body Checking" at the time of registration.

There are a limited number of spots available in the Body Checking division, and evaluation rankings will determine final group placement.

Therefore, participants who don't successfully evaluate in a Body Checking division, will be placed on a Non-Body Checking team; even if they designated Body-Checking at the time of registration.

Teams in the Non-Body Checking division are also tiered.
